41 Hurst Park Road, Twyford, Reading, Berskhire | 65 Afreton Road, Nottingham

I am a dedicated individual who is striving to become a Software Engineer. I pride myself on my motivation to do the best I can do in any situation I may find myself in. I believe I cooperate well in a team and show good leadership skills when required of me. I am currently a BSc Software Engineering student in Nottingham. I have always had a passion for computers and programming and would like to continue this into my professional life.

EXPERIENCE

NOVEMBER 2019 – PRESENT (TEMPORARY)
SUPERMARKET ASSISTANT, WAITROSE & PARTNERS

While working here I have been required to adapt to a range of different jobs and responsibilities which challenged me in different ways. I am always happy to step up to volunteer to do tasks or help organise people around the store helping me build leadership and people skills. I now work here when I am not at university to help in the busier seasons.

AUGUST 2019 – PRESENT
GRAPHIC DESIGN, FREELANCE

Occasionally I will do freelance graphic design work for people as I have a hobby of graphic design. This has helped me build organisational skills as I must plan and execute a task on my own depending on the clients' wishes.

NOVEMBER 2018 – NOVEMBER 2018
WORK EXPERIENCE, CISCO

I did a week of work experience at Cisco; this was a wonderful opportunity to give me a taste of what the technology world is like. I was given a range of roles which encouraged skills such as teamwork, problem solving, leadership and many more.

AUGUST 2016 – AUGUST 2018
BALL BOY, READING FC

I was a ball boy for Reading Football Club for 2 years. This role helped me work in a team and required me to be very disciplined on matchdays.

ACTIVITIES

SEPTEMBER 2016 – JUNE 2017
SCIENCE LEADER, THE PIGGOTT SCHOOL

I was invited to the Science leadership scheme in Year 9 at my school. This was a fantastic opportunity as it built my teaching, leadership, and people skills from an early age. We were tasked with creating interactive science sessions for primary school children in which they would come in and participate in.
